ENDING 19 DECEMBER 1984

STAT

1. Progress Reports on Tasks Assigned by the DCI/DDCI:

None.

STAT

2. Items or Events of Major Interest That Have Occurred During the Preceding Week

a. Storage Problems

The Chief and analyst from Commodity Section C visited [redacted] during the past week to review the storage problem. Items were identified at both locations that were occupying a great deal of space and were slow moving. CSC will be studying the items for possible disposition. [redacted]
